

Item: PLA810
Size: 7" x 9"
Corners: Square

Material:
Imprint colors:
Font:

The sublimation process used to produce this product results in semi-transparent colors. The base material will show through the imprint. Colors do shift from the same artwork printed on paper or viewed on a computer monitor.

If close color matching is required, another process should be used. Because each artwork varies, please call to discuss your options.
